

Student Experiences in Online Learning

With all schools and colleges closed under the pandemic, students are learning online and are being assessed remotely because of the COVID-19 crisis. Your answers to this survey will help us to understand your experiences as a student under the Pandemic. The survey does not ask for your school/college names and neither will the results be shared with them. For Very Young Learners (aged 3-6 yrs) and Young Students up to Class V (aged 6-11 yrs) their parents are requested to assist them in sharing their experiences. Thank you for taking out time to answer the Questionnaire.
